Hey everyone, like the title says when I put the safety key on I don't hear any beeping. When the guy who sold me the PWC started it, I remember it beeping two times before he started it. When I

took it out the next day... no beeps. When I took it home to flush, no beeps however, every time the motor starts with no problems. I did some searching on here and found that everyone's PWC that ...
