Frontline Spot On Flea Treatment. The introduction of Frontline revolutionised the treatment of fleas and ticks on dogs and cats in this country and much of the world. It was originally only available as a spray. When a spot-on formulation came out, this just about swept away every other flea treatment on the market at that time. Since then many 'copy' type products have come onto the market.

We sailed Condesa, our 1967 Salar 40 ketch, away from San Francisco, past Alcatraz and Angel islands, under the Richmond Bridge, across San Pablo Bay and through the Carquinez Strait, where it first started to feel like summer. On a rising tide with 20 knots of wind behind us, we covered 70 miles in daylight without breaking a sweat, sailing all the way to the delta in a long day.
