Anyway, here I am, about halfway through ground school. Now, as JL has already told you, formal ground school is optional, as there are many legit self-study options available that will prepare you for the FAA written exam. Key to any learning endeavor - especially one for folks for whom school of any kind is a couple of decades in the past - is knowing your learning style preferences.

November 1, 2014. LAST MONTH, Vanity Fair published a story by William Langewiesche on the crash of Air France flight 447, the Airbus A330 that went down in the Atlantic in 2009. You can read it here. Several readers have asked for my thoughts on the piece. Langewiesche is a fantastic writer and was kind enough to lend a flattering blurb to the cover of my book, so it's not easy for me to say ...
