Modern liberalism in the United States is the dominant version of liberalism in the United States. It combines ideas of civil liberty and equality with support for social justice and a mixed economy. According to Ian Adams, all American parties are "liberal and always have been. Essentially, they espouse classical liberalism—that is, a form of democratized Whig constitutionalism, plus the free ...

Sam Harris 13 argues at length that in today's world, even seemingly innocent beliefs in things like a Paradise-after-death can lead to murder and a lost sense of the value of life in this world. Dawkins makes a similar warning about the irrationality of religion and its effect on morals and actions, in The God Delusion 15, concentrating on issues such as violence against abortion-clinics and ...
