Restaurants & catering While public eateries existed in Ancient Rome and Sung Dynasty China, restaurants (we know them today), are generally credited to 18th century France. The genesis is quite interesting and not at all what most people expect. Did you know the word restaurant is derived from the French word restaurer which means to restore? The first French restaurants [pre-revolution] were ...

Accountant's Corner Record Keeping Review By Ronald L. Noll, MS, CPA. Good record keeping of "money in" and "money out" is the first step toward the profitable management of your restaurant. Inaccurate or irregular records makes it impossible for you to know how your business is doing and usually prevents a timely correction of any problems that may occur.

In 2018, economists from Miami and Trinity Universities used Congressional Budget Office methodology to measure the effect a \$15 federal minimum wage might have on the workforce. They found, if implemented in 2020, it would reduce employment by roughly two million jobs. Raising the minimum wage would also disproportionately impact entry-level positions where unemployment rates are the highest.
