Are "forging ahead" and "forging a check" from the same forge?. There are many things you can do with the word forge in English. You can forge ahead (which, confusingly enough, can mean either "move slowly and steadily" or "move with a sudden increase of speed"), you can forge a check or a painting (make something fake), or you can forge a sword (make something real).

The Firefox Grid Inspector, July 2017 edition. by Jen Simmons, July 26, 2017. I'm working on a lot of different projects these days, but one of my favorites is the Firefox CSS Grid Inspector.. I first started learning CSS Grid without a tool for seeing what's going on. It can be tough to understand why things aren't working they way you expect.
