Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

University of Georgia

Figure 1 shows the original structure for the balanced scorecard (BSC). The BSC retains financial metrics as the ultimate outcome measures for company success, but supplements these with metrics from three additional perspectives (customer, internal process, and learning and growth) that we proposed as the drivers for creating long-term shareholder value.

Conceptual Foundations of the Balanced Scorecard ...
