Commonly known as "Wellness Programs" in the industry, we refer to our suit of services as Health Risk Prevention Programs because we work with our clients to ensure health risks are identified and managed immediately to avoid any future or long term health problems.

Health Risk Prevention Programs - Horizon

The term "addiction" encompasses almost all imbalanced and self-destructive behavior. Substance abuse can create an illusory sense of well-being, but in the end it severely damages physical, psychological, and spiritual health. In this article we will focus on substance addictions and the various remedies which can be used to allay some of the common problems associated with recovery.
