Note: But, before we begin looking at it, first of all, we repeat again and again: do not blindly believe anything or merely take in on faith. What is said here is just a particular way to look at things, but it does not imply that you are forced to agree with anything said here, or anywhere for that matter.

Looking back, it was a remarkable program with fast paced engineering and manufacturing developments. the total development time of 24 months was a heroic achievement considering the concept was unique and no in-house engine or manufacturing was available or even considered when the program started. The first Scout was introduced in 1960. A concept for its replacement was initiated in 1964 and ...
