10 Best Best Zero Turn Mowers [2019 Reviews & Guide]

I have been mowing lawns (amateur, not a professional) for 36 years and I have learned to expect ~200 hours of reliable function out of a well-maintained lawn mower. You certainly can get much more but it seems that 200 hours is when you have to start making major repairs and need to evaluate cost of repair versus remaining useful life.

Buying a used lawn mower....how many hours is "too many ...
