1. Introduction. Crawford and Hassner-Nahmias (2010) highlighted the increasing research interest in the use of projects as a way to institute change in organizations. Parker et al. (2013a) suggested that it is a business imperative for organizations to use project-based initiatives as levers for organizational change to ensure success. Söderlund (2010) indicated that increasing numbers of ...

Change Agents Definition. Change agents are people (individuals or groups) that not only initiate but also manage change within organisations. They can be internal to an organisation such as managers or employees, or external such as consultants who are tasked with overseeing change management (Tscherky, 2011).

Love a lot of those guys; if everything breaks right you could be in great shape pitching-wise. I wouldn't rush to add anyone, but I think you could lose Fulmer for any of those 3 if you're wanting to stash someone with more upside — Whitley is of course the biggest lottery ticket, but I probably like Burnes the best in a re-draft if you're looking for someone who could make a nice ...
