Radioddity Download

For those of you who are new to trunking, dynamic memory, or haven't had a scanner in the last 10 years it is a good idea to read the respective sections on those topics. You really have to know how trunking works in order to program a trunking system. It won't do you any good to try to program a trunking system unless you know what the radio needs and is going to do with the data (control ...
