Participant's Guide - Blackboard

The Participant Guide is designed as an aid for participants in a small group to use during the group discussion time and also for private reflection. For each session it provides a content overview, questions for personal reflection, and the handouts with the Scriptures that are discussed in the session.

Facilitator and Participant Guide Samples - ForgivingVictim

We are working with just one file for any given set of content, so there's no clutter. Once we're finished, we output a PDF for the leader guide and a PDF for the participant workbook. To see a demonstration of how we create the leader guide template, check out the following YouTube video.

How to Simplify Your Life with an All-In-One Training Document

Homeland Security Exercise and Evaluation Program 1-1 1. HSEEP Fundamentals Overview HSEEP doctrine consists of fundamental principles that frame a common approach to exercises. This doctrine is supported by training, technology systems, tools, and technical assistance, and is based on national best practices.

Homeland Security Exercise and Evaluation Program (HSEEP)

We've put large margins in your Participant's Guide and lined spaces for you to take notes throughout the training. Some information may be important to return to as a reference. We've marked some of these with this symbol, so you can find what you need quickly. Lightning Rounds are chances for your team to win points throughout the program.
