Plays For The Theatre 10th

Medieval theatre encompasses theatrical performance in the period between the fall of the Western Roman Empire in the 5th century and the beginning of the Renaissance in approximately the 15th century. Medieval theatre covers all drama produced in Europe over that thousand-year period and refers to a variety of genres, including liturgical drama, mystery plays, morality plays, farces and masques.

Western theatre - Medieval theatre: During the Middle Ages, theatre began a new cycle of development that paralleled the emergence of the theatre from ritual activity in the early Greek period. Whereas the Greek theatre had grown out of Dionysian worship, the medieval theatre originated as an expression of the Christian religion. The two cycles would eventually merge during the Renaissance.
