Pros: These radios are packed with new features for scanning, searching, and especially for digital trunking. The 'Multi-Site' feature allows you to monitor only the strongest, consecutive, or all control channel frequencies in the system. The audio is great and setting up a digital system is fairly easy right out of the box.

These are another excellent set of radios that have many fine features for scanning and trunking. However, anyone who has tried to read the manuals that come with the radios know it can be a little hard (if you're lucky) to find, read, and figure out some of the steps, especially in the searching and trunking sections.
