Why Is Communication Critical To Developing Self Concept. I chose the topic of self-concept through interpersonal communication because I had an interest in it. This interest is because I didn't understand that one's self-concept affected the way one is perceived by others. I learned self-concept through class discussions, but I wanted a better understanding of how communication affects one's ...

The chapter outlines a general model of intrinsic and extrinsic motivation, the Hierarchical model. This model serves two objectives. First, the model provides a framework to organize the literature on intrinsic and extrinsic motivation, as well as to identify the psychological mechanisms underlying motivational changes.

Holding a strong goal intention ("I intend to reach Z!") does not guarantee goal achievement, because people may fail to deal effectively with self-regulatory problems during goal striving. This review analyzes whether realization of goal intentions is facilitated by forming an implementation intention that spells out the when, where, and how of goal striving in advance ("If situation Y ...
