We provide real-world tips for the Saturday night racer on how to tune your stock car for dirt track surface changes to use in practice and during races - Circle Track Magazine

Dirt Car Setup Tips - - Hot Rod Network

A dirt track street stock race car is hardly refined. Compared to the ultra-sophisticated late models or sprint cars, the bomber stock type dirt track cars are prehistoric. Where chassis in the other classes are purpose built, the bomber stock chassis is generally a twenty to thirty year old street car using twenty or thirty year old technology.

Street Stock Racing, factory and bombers

Dirt Street Stock When it comes to grass-roots racing, it doesn't get any more "rooted" than Street Stocks. Although there are (nearly) as many different variations on Street Stock rules as there are oval race tracks, the common thread is the use of an older American street car as the basis of the Street Stock race car.
