The Jazz Age was a period in the 1920s and 1930s in which jazz music and dance styles rapidly gained nationwide popularity in the United States. The Jazz Age's cultural repercussions were primarily felt in the United States, the birthplace of jazz. Originating in New Orleans as a fusion of African and European music, jazz played a significant part in wider cultural changes in this period, and ...

Four decades after its release, this is still the most controversial record in Yes' output. Tales from Topographic Oceans was the place where Yes either fulfilled all of the promise shown on their previous five albums or slid off the rails in a fit of artistic hubris, especially on the part of lead singer Jon Anderson and guitarist Steve Howe, who dominated the composition credits here.
