It's not linguistically grouped with them though. If you look at any Indo-European Linguistic tree the slavic languages (including Russian) are grouped much closer to germanic languages, then any of the other linguistic branches and the East Asian and South-East asian countries aren't even on the Indo-European Linguistic Tree in the first place.

### Discussion - The Thief of Baramos: Crown of Hearts | Novel ...

- The Thief of Baramos - ( #1 The Crown of the Heart) I think you do not hear the name of the book before because the book was written by Thai writer, Rabbit,. This story has 4 parts ( or 4 books ) but I just read it for 1 part ( or 1 book). This story is about a boy who lived like a thief. One day his

father thought that he wanted to abduct a king.
