The Utopia of Rules. An essential book for our times, The Utopia of Rules is sure to start a million conversations about the institutions that rule over us—and the better, freer world we should, perhaps, begin to imagine for ourselves. DAVID GRAEBER teaches anthropology at the London School of Economics.

The Utopia of Rules » Melville House Books

The 10 Rules of My Perfect Utopia. The government will make the decisions by allowing the society to vote for the laws/rules. The reason for this is so the society feels like they have the power to make a difference Everybody should have respect for nature. The people would be enforced to respect the nature, if disrespected they will be fined.

The 10 Rules of My Perfect Utopia | thedifferenceinstories

Rationale: Without this rule overpopulation and lack of resources could occur and we do not want that to happen, because it would lead to our downfall as a community. Rationale: No one man or

council should have all the power, everybody is contributing equally and helping the community run smoothly, so everybody should get an equal say in things as well.
