This review of the Tissot T-Touch Expert is about the quartz watch that made quartz watches cool again. Years ago when I first began my acquaintance with mechanical watches, the notion that quartz watches were inferior began to develop. These less expensive, economy movements of mass production couldn't hold ground to the growing fascination I was having with mechanical movements.

A few weeks ago I wrote a post about the restoration of this Tissot/Aquastar Regate. (Click pictures to enlarge) In that post I mentioned the collaboration between Tissot and Aquastar, and included this picture of a co-branded Benthos model along with a request for anyone with details about it to get in touch - see the full post here.. In the subsequent weeks I received mails from several ...

I've got a couple of emails asking me how to change the iPod owner's name. At first, I thought that it is kind of weird that anyone would want to change their iPod names; until I realised that there are instances where pre-owned iPods were purchased or a spelling mistake happened or for whatever outrageous reasons.

What is a "square meal?" What is a square meal? Excellent question with no simple answers. There are two primary schools of thought: (1) Symbolic/metaphoric (a "square meal" is a substantial, satisfying repast) and (2) An actual scientific analysis proposed by a British physician in the 1920s. Shaped, to make it easier for people to understand, like a square.
