The Simple Answer. Why does Roudout have so much and Ridge so little? Over the past six months, NPR Ed and 20 of our member station partners set out to explore this basic question.

Why America's Schools Have A Money Problem - NPR.org

In our last few blog posts on the state, we have argued that Scott's whole vision of state centralization is deficient. Scott is right that in some cases the state is a great threat to welfare and he has been a vigorous and effective critic of the Hobbesian perspective on the state, so central to much thinking in social science.

Ethical Decision Making in Research. Although codes, policies, and principals are very important and useful, like any set of rules, they do not cover every situation, they often conflict, and they require considerable interpretation. It is therefore important for researchers to learn how to interpret, assess, and apply various research rules and how to make decisions and to act ethically in ...

Government shutdowns, in United States politics, refer to a funding gap period that causes a full or partial shutdown of federal government operations and agencies. They are caused when there is a failure to pass a funding legislation to finance the government for its next fiscal year or a temporary funding measure. Ever since a 1980 interpretation of the 1884 Antideficiency Act, a "lapse of ...
