The reason why this happens it that this wealthy rule the world, and so can make up their own rules and laws to suit themselves. It is also the big advantage of globalisation, as it makes it so much easier for the super rich to dodge taxation.

Why Women Should Rule The World

Why Women Should Rule the World. It took nearly 200 years for a woman to join the ranks of the U.S. Supreme Court. To date, there have been 4 women justices, 3 of whom now sit on the current court. Still, the ratio of 4 women justices to 108 men is simply out of step with today's world. We agree with RBG.
