I was playing with the Build My Kubota configurator last night - comparing B3200 , B3300 , L3200 and L3800 - and I noticed that they all have the option of " remote hydraulic valves " but it's somewhat unclear what exactly the option is. I am only familiar with the hydraulic options in passing. So I'm not sure if the remote hydraulic valves option includes the loader hydraulics - and one extra ...
